Needed to purchase Marshall and Fulton the Team Manager 5.0 Update. Motion was made by Marshall that we wait to upgrade the Meet Manager 2.0 to 3.0. Jefferson City seconded the motion, and the motion was approved.

Web Page Design:

It was decided that we needed to keep the web page more up to date on a regular basis. It was noted to go ahead and pay the web hosting fee to KMB and we would find someone to take over running the site for Ken. Tim Pollett is currently keeping the web site up to date for us.

Championship Location:

It was noted that Boonville said they could still host Championship.

New Business:

Late entry fees:

It was discussed about charging late entry fees to discourage any changes at swim meets. A motion was made by Eldon that there would be a late entry fee at Championship

of \$5 an event for additions, but there would be no charge for cancellations, it was seconded by Centralia. An entry deadline would be set by the host championship team. The motion was approved.

Championship T-shirt orders:

It was discussed that we would try t-shirt pre-order forms instead of selling all of them at championship. We would have a few additional shirts at championship, but the bulk of the t-shirt sells would be ahead of time. The motion was passed 19-For and 3-Against
